Applebee’s Appetizers Menu 2026

Applebee’s appetizers are designed for sharing or starting a meal. Popular choices include:

- Boneless Wings
- Mozzarella Sticks
- Chicken Wonton Tacos
- Spinach & Artichoke Dip
- Crunchy Onion Rings
- Chicken Quesadilla
- Brew Pub Pretzels
- Riblets
- Double Crunch Shrimp
- Crispy Pickle Fries
- Waffle Fries

The **Ultimate Trio** is another popular option because guests can select three appetizers and dipping sauces. The current online menu lists choices such as Boneless Wings, Mozzarella Sticks, Chicken Wonton Tacos, Crunchy Onion Rings, Riblets, Double Crunch Shrimp, and more.

Applebee’s Burgers Menu 2026

The Handcrafted Burgers section focuses on hearty burgers with beef, cheese, sauces, and fries or other sides.

Current menu offerings include options such as:

- Grilled Cheese Cheeseburger
- Whole Lotta Bacon Burger
- Other location-dependent handcrafted burger selections

The **Grilled Cheese Cheeseburger** combines an all-beef patty with American cheese and bacon sauce and is served with tomato basil soup and classic fries. Menu selection and prices can vary by restaurant.

Applebee’s Chicken Menu 2026

Chicken remains one of the biggest parts of the Applebee’s menu. Depending on location, diners can find dishes such as:

- Bourbon Street Chicken & Shrimp
- Fiesta Lime Chicken
- Chicken Parmesan Fettuccine

- Grilled chicken dishes
- Chicken sandwiches
- Chicken salads
- Chicken appetizers

For diners who want a combination of chicken and seafood, **Bourbon Street Chicken & Shrimp** is one of the featured entrées on the current menu.

Applebee's Steaks & Ribs Menu 2026

The Steaks & Ribs section is aimed at diners looking for grilled beef and barbecue-style meals.

Popular menu choices include:

- 8 oz. Top Sirloin
- Riblets
- Steak-based entrées
- Other steak and rib combinations available by location

The current online menu lists an **8 oz. Top Sirloin** as a featured item, while Riblets can also appear in appetizer and value-menu combinations.

Applebee's Pasta Menu 2026

Applebee's pasta dishes provide a filling option for guests who prefer creamy or cheesy comfort food.

A current standout is **Chicken Parmesan Fettuccine**, which combines pasta with chicken and Parmesan-style flavors. It is also available as an entrée option within the current 2 for $25 menu for an additional charge.

Applebee's Seafood Menu 2026

Seafood choices can include:

- Double Crunch Shrimp
- Shrimp-based combination entrées
- Seafood selections that may rotate by location or promotion

Double Crunch Shrimp is particularly notable because it appears both in the regular menu and in Applebee's limited-time All You Can Eat promotion.

Applebee's Salads Menu 2026

For a lighter entrée or lunch option, Applebee's offers salads and chicken-based salad meals.

Current menu selections include:

- California Grilled Chicken Salad
- Other salad and chicken-salad combinations

The **California Grilled Chicken Salad** is currently included among the entrée choices available with the 2 for $25 offer.

Applebee's Sandwiches & More

The Sandwiches & More category provides alternatives to burgers and full entrée plates.

Depending on the restaurant, selections can include chicken sandwiches and other handheld meals. Because Applebee's menu availability can differ by location, checking the local online menu is the best way to confirm current choices.

Applebee's Skillets & Irresist-A-Bowls®

Applebee's also has dedicated **Skillets** and **Irresist-A-Bowls®** sections.

These are useful choices for guests looking for complete meals with proteins, vegetables, grains, sauces, or other toppings in one entrée.

Current Applebee's specials also highlight options such as the **Southwest Chicken Irresist-A-Bowl** as a lunch choice.

Applebee's Sides Menu 2026

Common side choices can include:

- Classic Fries
- Garlic Mashed Potatoes
- Seasoned Broccoli
- Applesauce
- Other restaurant-specific sides

Sides are also important when customizing kids meals and entrée combinations.

Applebee's Desserts Menu 2026

Applebee's dessert choices are designed for finishing a meal with something sweet.

Depending on the current menu and location, dessert selections can include:

- Sizzlin’ Butter Pecan Blondie
- Triple Chocolate Meltdown
- Cinnabon Mini Swirls
- Sizzlin’ Caramel Apple Pie
- Sundae options

Dessert availability can change, so check the local menu before ordering.

Applebee’s Kids Menu 2026

The Applebee’s Kids Menu includes familiar meals for younger diners, usually with a choice of side and beverage.

- Other kid-friendly selections depending on location

The current Kids Chicken Quesadilla is listed with a choice of side and drink, while the Kids Classic Cheeseburger is also served with customizable side and beverage choices.

Kids side choices can include:

- Mott's Applesauce Cup
- Seasoned Broccoli
- Classic Fries
- Garlic Mashed Potatoes
- Mozzarella Sticks

Some locations may also offer kid desserts and other beverage choices.

Applebee's Drinks Menu 2026

The Applebee's drinks menu includes alcoholic and non-alcoholic choices.

Cocktails & Margaritas

Popular Applebee's drink categories include:

- Margaritas
- Mucho Cocktails
- Signature cocktails
- Sangrias
- Rum-based cocktails
- Whiskey cocktails
- Long Island Iced Teas
- Seasonal cocktails

Applebee's currently promotes drinks such as the **Perfect Margarita**, **Shark Bowl**, **Bahama Mama**, and rotating Mucho Sips.

For a more detailed breakdown of cocktails, margaritas, mocktails, and other beverages, see the **Applebee's Drinks Menu.**

Mucho Cocktails

Mucho Cocktails are one of Applebee's recognizable drink formats, generally served in a larger signature glass.

During 2026, Applebee's has introduced several limited-time Mucho drinks, including seasonal cocktails and margaritas.

Applebee's Mocktails & Refreshers

Guests who do not want alcohol can look for:

- Mocktails
- Refreshers
- Fountain drinks
- Lemonade
- Other non-alcoholic beverages

The current menu specifically lists **Refreshers**, **Mocktails**, and **Non-Alcoholic Beverages** as separate categories at participating locations.

Fountain Drinks

Current fountain beverage choices include:

- Diet Coke
- Minute Maid Lemonade
- Pibb Xtra
- Sprite

The online menu currently lists these drinks at $1.99 at the location represented on the page, but beverage pricing can vary.

Applebee's $1 Margarita — DOLLARITA® 2026

Yes, Applebee's brought back its famous **DOLLARITA®** in 2026.

The promotion ran throughout **July 2026**, offering a $1 margarita made with tequila, triple sec, and lime. It was available all day during the promotion, with dine-in restrictions and participation varying by restaurant.

Important: The $1 DOLLARITA® was a **limited-time July 2026 promotion**, not a permanent everyday menu price. It should not be presented as a year-round $1 margarita deal.

Applebee's Happy Hour 2026

Applebee's is known for happy-hour-style drink and appetizer offers, but there is **not one universal nationwide happy hour schedule for every restaurant**.

Current Applebee's promotions can include:

- Discounted cocktails
- Drink specials
- Appetizer deals
- Mucho drink promotions
- Late-night appetizer offers

- Location-specific specials

Applebee's states that promotions, prices, selection, and participation can vary by location.

The current specials page also promotes **late-night half-price appetizers**, including items such as Mozzarella Sticks and Boneless Wings at participating locations.

For current timings, offers, and location-specific information, see our **Applebee's Happy Hour guide**.

Applebee's 2 for $25 Menu 2026

One of the most important value options in 2026 is **2 for $25**.

The deal currently includes:

1 full-size appetizer + 2 entrées = $25

Appetizer choices include:

- Bacon Cheeseburger Wonton Tacos
- Boneless Wings
- Crunchy Onion Rings
- Mozzarella Sticks
- Spinach & Artichoke Dip
- Two Side Salads

Entrée choices include selections such as:

- California Grilled Chicken Salad
- Chicken Parmesan Fettuccine
- Other eligible entrées

Some premium selections may carry an additional charge.

Applebee's currently describes the 2 for $25 offer as an ongoing value option, although price, participation, and selection remain subject to restaurant terms.

Applebee's All You Can Eat Deal

Applebee's also brought back an **All You Can Eat** promotion in 2026.

The limited-time offer featured:

- Boneless Wings

- Riblets
- Double Crunch Shrimp
- Endless fries

The promotion was advertised at **$15.99** for dine-in during its promotional period.

Because this was a limited-time promotion, availability should be checked before treating it as a permanent Applebee's menu item.

Applebee's Other Deals & Specials 2026

Applebee's promotions can include more than the standard menu.

Important deal categories include:

- 2 for $25
- Seasonal drink specials
- Mucho cocktail promotions
- Limited-time margaritas
- Late-night appetizer deals
- Birthday offers
- Lunch specials
- All You Can Eat promotions
- Club Applebee's offers
- Seasonal and holiday promotions

Applebee's official specials page notes that promotions can be limited-time and that restaurant participation may vary.

Applebee's Lunch Menu 2026

Applebee's lunch options are designed around quicker, value-oriented meals.

Current lunch examples highlighted by Applebee's include:

- Southwest Chicken Irresist-A-Bowl
- Quesadilla Chicken Salad
- Other location-specific lunch choices

Lunch specials and prices can vary, so the local restaurant menu is the best source for current availability.

Applebee's Catering Menu

Applebee's also offers catering for gatherings and events.

Catering availability and menu packages depend on location, so guests planning a larger order should check the catering section for their nearest restaurant.

Applebee's Nutrition & Allergens

If calories, ingredients, or allergens matter, check the current restaurant menu and nutrition information before ordering.

Applebee's notes that calorie needs vary and that it cannot guarantee menu items are free from ingredients that may cause allergic reactions. Menu ingredients and preparation can also change.

Applebee's Menu Prices 2026

There is **no single nationwide price for every Applebee's menu item**.

For example, current online menus show different prices for the same types of items at different restaurant locations. This is why a menu guide should avoid presenting one price as universal.

Before ordering, check the menu for your specific Applebee's location.

What Is the Best Applebee's Menu Choice in 2026?

The best choice depends on what you want:

- **For sharing:** Ultimate Trio
- **For value:** 2 for $25
- **For burgers:** Handcrafted Burgers
- **For chicken:** Fiesta Lime Chicken or other chicken entrées
- **For steak:** 8 oz. Top Sirloin
- **For pasta:** Chicken Parmesan Fettuccine
- **For seafood:** Double Crunch Shrimp
- **For kids:** Kids Chicken Quesadilla or Kids Classic Cheeseburger
- **For cocktails:** Perfect Margarita, Mucho Cocktails, or current seasonal drinks
- **For non-alcoholic drinks:** Refreshers, Mocktails, lemonade, and fountain beverages
- **For limited-time promotions:** Check Applebee's current Specials page

Final Takeaway

The **Applebee's Menu 2026** offers a broad mix of appetizers, burgers, chicken, steaks, ribs, pasta, seafood, salads, sandwiches, desserts, kids meals, cocktails, margaritas, mocktails, refreshers, and non-alcoholic beverages.

For value, **2 for $25** is one of the key 2026 offers. The **$1 DOLLARITA®** was also a major 2026 promotion, but it was specifically a limited July offer rather than a permanent price.

Because Applebee's menu prices, restaurant participation, seasonal drinks, happy hour offers, and limited-time deals can change, always check the current menu for the specific location before ordering.
